Chorus

*My grace is sufficient for you
No matter the trials you're going through
Come take my hand, we'll walk together
My grace is sufficient for you.*

Verse 1

Troubles may threaten to rush in like the tide
I'll place you high on a rock
The waters won't reach you, I will be there with you
Right by your side, I'll be there

Verse 2

When the pain feels too much for you, please come to Me,
Don't run and hide by yourself
I know that you're hurting and you don't understand
But I will not leave you alone

Verse 3

When you're feeling so weak, you don't want to go on
Lean on Me – I'll be your strength
Please trust Me, I'll show you the way through your grief
Always I will stay with you

Verse 4

If you know one who's strugg'ling, please open your heart
Quietly listen and share
Then Jesus will shine through, they will know that He cares;
Jesus won't leave them alone!
